I don't know if that is wishful thinking or not.

Thanks for your response. The Mass Against HP group is notifying members of a council hearing on either April 30th or May 7th, so it seems safe to assume that the sponsoring councilors do intend to move this forward in the next two weeks.

There is no resolution related to an HP boycott on our agenda.

Dear Ms. Devereux,

I am writing to express my hope that you will vote against the resolution to be presented soon to City Council by "Mass Against HP" which seeks to punish the state of Israel by requiring Cambridge to break ties with Hewlett-Packard. I trust that I need not explain in detail why this deeply misguided resolution should be quashed, and I will simply note that the resolution represents precisely the kind of narrow targeting of Israel that the US and many European nations have voted against time and time again. A vote for this resolution is a vote for anti-Semitism, and knowing your record, I feel confident that is not a vote you will ever cast.

Sincerely,

Daniel Gilbert
